Strategic Partnerships

Though the use of interagency collaboration and community outreach, the OK FEB was successful in several critical areas of developing and maintaining strategic partnerships

- Actively participated in bi-monthly teleconference calls with OMB, providing real-time status updates related to COVID-19 on its impact in Oklahoma and the U.S.
- Hosted 6 Executive Council and 2 Full Board meeting with OK senior federal leaders
- With the two regional food banks serving Oklahoma, oversaw the 2020 Feds Feed Families campaign collecting \$1,700+ in donations. Efforts provided over 6,400 meals to OK families
- Launched the 2020 CFC Campaign w/ YTD contributions exceeding 2019
- Initiated outreach and improved partnerships with Congressional partners in Oklahoma
- Initiated partnerships with state, county, and local health departments and Emergency Managers, resulting in invaluable sharing of information related all facets regarding COVID-19
- Hosted multiple virtual town hall events with federal, state, and local partners, providing information and best practices related to COVID-19

2020 FEDERAL EXECUTIVE BOARD EXECUTIVE DIRECTOR MEETINGS

In late February of 2020, the Oklahoma Federal Executive Board hosted the 2020 FEB Executive Director Meetings. The meetings were held and hosted by the [Oklahoma City National Memorial Museum](#), in remembrance of the 25th Anniversary of the Alfred P. Murrah Federal Building on April 19th, 1995.

In addition to the two days of meetings, the FEB Executive Directors had the opportunity to tour the National Weather Service in Norman and the Federal Transfer Center in OKC. Both of these federal facilities operating in Oklahoma are unique to the federal community. Their trip was capped off with a group outing to see the Oklahoma City Thunder vs. Sacramento Kings.
