MEMORANDUM FOR FEDERAL EXECUTIVE BOARD CHAIRPERSONS

SUBJECT: Transfer of Federal Executive Board Functions from  
OMB to OPM

Recently, the Office of Management and Budget (OMB) and the Office of Personnel Management (OPM) reached an agreement to transfer administrative functions for FEBs from OMB to OPM.

Under OPM's guidance, we know the FEB system will continue to promote efficiency and effectiveness in the operation of our federal government through coordination among agencies in the 26 cities. OMB, as one of the central management agencies, will continue to keep the FEB network informed as important government initiatives are announced.

Will you please relay this information to the Federal Executive Associations in your area?

I extend to you OMB's best wishes for continued success.

  
Harold I. Steinberg  
Associate Director  
for Management
